

Offering to Agile Coach Camp Sponsors

For sponsoring 600 € or more we offer the following:

- Sponsors link on Agile Coach Camp website
- Sponsors will be mentioned in confirmation emails to participants
- Sponsors will be heartfully thanked at beginning and end of the conference
- Sponsors will have the opportunity to provide branded give aways/information at an unattended table at the conference

For sponsoring 1.200 € or more (equivalent of a meal) we offer following in addition:

Sponsors of 1.200 € or more will have the opportunity to preregister 1 participant (at the same time as organizers register themselves). Reservations for sponsors are intended to avoid the situation that a "meal" sponsor has no participant at the conference because the tickets sell out too fast, although they wanted to attend (last time Agile Coach Camp was sold out in less than ten minutes).

Further information for Sponsors

Sponsor logos for Agile Coach Camp website

Take a look at <http://accde13.wordpress.com/> for appropriate size of logos. We will need a png or jpg image in order to include it to the website.

Preregistration for "meal" sponsors (>= 1.200 €)

Sponsors of lunch and/or catering can preregister one participant. For this purpose we will contact "meal" sponsors and give them a time box to preregister before official registration starts. Regarding position papers and conference costs preregistered participants are handled like normal participants and organizers. That means they have to provide position papers in time and they have to pay for the conference.

Unattended table for give aways and further sponsor information

If you or one of your employees is participating at the conference, you are invited to place branded give aways and information there. We as organizers will mention this table at the opening of the conference, but like last year we leave it to self organization of our sponsors to handle it. Sponsors who want to use that option without attending the conference, are asked to provide their material to following address:

Seminarzentrum Rückersbach GmbH, z.H. Frau Calabrese for Agile Coach Camp, Kolpingstraße 1, D – 63867 Johannesberg / Ortsteil Rückersbach. We need your materials at least until lunch time of the starting Friday.

Billing

Billing will take place before the event. We as organizers take care that your money is spent wisely. Billings will be sent out by the venue Seminarzentrum Rückersbach or Emendare GmbH & Co KG (for expenses not provided by the venue)

Get involved!
